

“Quote of the week”

"The more that you read, the more things you will know. The more that you learn, the more places you'll go." - Dr. Seuss "

WELCOMING BACK TO CAMPUS

Beating the summer heat, stepping onto the pleasant and refreshing monsoon, the Sagarians have returned to the campus to commence the next term of the session. Along with the academic classes, the daily schedule also incorporates the co-curricular activities, sports, club and societies, mandatory community services and workshops.

*What joyance rains upon me, when I see Fame in the mirror of futurity,
Weaving the chaplets you have yet to gain, Ah then, I feel I have not lived in vain.* - Extracted from "To The Pupils" by Henry Louis Vivian Derozio

AWARDS & ACCOLADES

The session started with a congratulatory note – another feather in the cap! The Sagar School was felicitated as Economic Times Best Education Brands – 2023 by Hon'ble **Temjen Imna Along**, Education & Tourism Minister, Nagaland.

IAYP

International Award for Young People has bestowed 86 Sagarians of Classes IX to XII with their prestigious Bronze Award, for their contribution towards environment and community.

“ONE MINUTE, PLEASE!” – INTER-HOUSE ENGLISH JUST-A-MINUTE COMPETITION

The school held its first Inter-House competition of the new session on the 8th of July 2023. The English Just-A-Minute competition is a battle of wits, confidence and creativity. The competition took place in two categories: Category 1: Classes VI to VIII and Category 2: Classes IX to XII. There were two rounds, wherein the second round was an addition to make the competition more engaging, the students were given a visual stimuli where they were shown thought-provoking images to take inspiration from and then speak on it for 'Just-A-Minute'.

The participants took up the challenge wholeheartedly and spoke on various given topics, showcasing their logical flow of thoughts, coherence of ideas, spontaneity and general knowledge in just a minute. Some impromptu speeches impressed the judges and the audience and left them nodding in agreement. The winners from Category 1 were – Samaahita Mahadani (Class VII), Lipika Singh (Class VI), Lizahvi Yeptomhi (Class VIII). The winners from Category 2 were – Tanvi Tewari (Class X), Glory Grace Basnett (Class XI), Bharti Upadhyay (Class X).

MIDDLE SCHOOL STUDENTS

SENIOR SCHOOL STUDENTS

WHERE CREATIVITY MEETS IDEAS

INTER-CLASS BOARD DECORATION COMPETITION

A classroom is a place where we can grow together as individuals and help each other through our journey in life.

Hence it is no surprise that The Sagar School organised an inter-class board decoration competition in the very first week of July to assess the teamwork and creativity of the students.

All the students worked hard with determination and came up with innovative themes. Both Junior and Senior Categories proved themselves to be extremely talented. From Junior classes, Class VIII emerged as the winner and Class X-B stole the show among all the Senior classes.

CAPACITY BUILDING WORKSHOPS

PASTORAL GUIDANCE & EXPERIENTIAL PEDAGOGY

The faculty of The Sagar School experienced a unique and insightful Capacity building workshop on Basic Counselling Skills curated by **UMMEED** and facilitated by the Director herself, **Ms. Salony Priya**. The eye-opening two-day workshop was just a prelude to a more extensive 6-month Experiential Learning Certificate Course which the faculty is presently working to master.

A workshop on Creative Learning and Experiential Pedagogy was also organised for the teachers which was chaired by Mr. Manish Jain, Teaching Professor, Creative Learning, Director RnD, Synopsys Scientist, IIT Gandhinagar. **Mr. Manish Jain** interacted with the teachers and demonstrated the importance of experiential learning with the help of models and visual aids. He focused on the concepts of Hands-on & experiential pedagogy, STEM education and creative learning, 3D geometry, polyhedra, geodesics, Machines & mechanisms and Recreational mathematics. He emphasised on how we can change the way we look at things and throw the boredom out of the class, allowing students to explore the world by being more inquisitive were some of the takeaways.
