Shaping the future

This glittering event showcased the talent of school students in all aspects. It was the 16th Founder's Day of **The Sagar School**. The chairman and editor-in-chief of Business World and exchange4media group, **Annurag Batra**, was the chief guest at the event. He commended the school for being iconic and praised its founder **Dr Vidya Sagar** for creating an oasis in a desert. "There are no failures, only experiences," said Batra. He was also seen felicitating and congratulating the CBSE toppers, outstanding students across classes, and the faculty members.

Jayshree Balasaria, the principal of the school, was seen presenting the annual report that highlighted the achievements and accolades accomplished by the students and staff during the academic session 2015-16.

The chairperson, **Rosemary Sagar**, stressed on the need of developing curiosity, independence and self-belief in children. She also spoke about how The Sagar School was committed in nurturing its students through its equilibrium between academics, sports and co-curricular activities.

Sharmistha Julka, the director of the school, spoke about how every individual has a unique talent and how education at the school is a journey towards self-discovery and exploration.

The vote of thanks was presented by **Dr Deepak Bisht**, the school's vice principal.

The cultural programme in the event had the theme of We are the World. The programme saw a musical concert, plays, fusion dance performances and a doll fashion show that held the audience captivated.

The event also saw guests appreciating the creative and innovative display of various exhibits related to different disciplines including astronomy, sciences, languages, social sciences, nature and crafts. The celebrations were further enhanced by a fun filled fete.
