

# Students show their creative side at art fest

**T**he Sagar School recently organised Kalasagar, their annual creative and performing arts festival. The students, guided by teachers and various experts, participated in various events including theatre, filmmaking, papier mache and crafts, quilling, pottery, contemporary dance, vocal and instrumental music, and making wind chimes.

The Principal, Amlan K Saha, along with the school staff and students welcomed the chief guest Ruma Devi, a recipient of the Nari Shakti Puraskar conferred by the President of India. The chief guest appreciated the beautifully planned 160 acre pollution-free green campus. She also applauded the efforts of the students and the role of the school in empowering rural women by making them literate and making use of their talents in local crafts.

The Sagar School, a boarding, co-ed institution, has recently been awarded amongst the top five campus infrastructures in the country and the Green School of the Year (North Zone).
