

HOLIDAY HOMEWORK 2018-19**Class: XII C**

This year, your holiday homework is a fun mix of all the aspects of learning. It has been designed to ensure that you enjoy and learn at the same time. Special attention has been taken to ensure that you use your creativity, your innovative ideas and your imagination to shape your holiday homework into fantastic 'creations'. So enjoy your holidays spending quality times with your near and dear ones and devote sometimes to learn new things.

General Instructions:

- Holiday Homework of all subjects to be done in **separate Stick Files** (only).
- The areas to be covered are suggested below. You can of course use your creativity and innovation for new ideas too!
- Credit will be awarded to original photographs/ drawings, illustrations and creative use of materials.
- Holiday Homework needs to be submitted on 10th July 2018.
- Holiday Homework needs to be developed and presented in this order:
 - Cover page showing title, student information, school and academic year and parent's signature.
 - List of contents with page numbers.
 - The last page should have Bibliography/ Sources of information from where you have collected your information.

PRACTICAL FILE

Theoretical write-up of Practical Files, for boards, is to be completed during vacations. Handouts will be provided.

Subject: Informatics Practices

1. Design an E-Business application that offers an interface to search and view Mobile details from SMARTMOBILE table in the database. If the user decides to buy them its details get added to the Order Table and internally the SMARTMOBILE recorded is updated (minus qty ordered) in the table. When user clicks at **Submit** button, then a message box informs the user about number of toys ordered and total bill amount; upon clicking **Exit** button, the application is closed.

Specification :

- In search criterion, If name is selected then the label with text “Enter lower limit” changes to “Enter Name” and the Label with text “Enter upper limit” and the text field become disabled. Otherwise (in case Price or Age is selected as Sort Criterion) then lower limit and upper limit text fields apply to the selected criterion.
- After obtaining the search Criterion, search should be performed in the SMARTMOBILE table and the mobile List box should get filled accordingly.
- The Order Qty text field is enabled only when the CLICK ME check box is ticked.
- The Mobile details get added to MOBILE ORDERED table only after Confirm Order Button is pressed for the Mobile.

Text Book Reference: Page No. : 540, Lab Q. 16

2. Create a HTML data entry web form to illustrate TextBox, Label, CheckBox, Option Button, ListBox and command button. Students may use other HTML controls.

Text Book Reference: Page No. : 345, Lab Q. 3

Note: Student may carry educational/software CD which is attached with the text book. They may install NetBeans IDE from the CD or they can download from the internet.

Subject: Painting

Prepare one thematic painting in half imperial sized sheet based on daily life subjects and color it in a balanced color scheme.

Subject: Physical Education

1. Collect brief portfolio of any one male and one female sportsperson of one of the following games/sports- Football, Basketball, Volleyball, and Cricket.
2. Write ten latest rules of any of the above mentioned sport.

Note –Attach pictures/photos related to the topic.
