FROM THE EDITORIAL BOARD...

After a break of a couple of weeks, the students returned on April 1, 2007, refreshed and invigorated for the new academic session 2007-2008. It was a much-needed break and the new session began in right earnest on April 2, 2007 with both the CBSE and the IB classes commencing. The teachers had arrived in school a couple of days earlier and there was a workshop for teachers on March 31, 2007 to get ready for the new academic year. All this while, the final examinations for CBSE Class XII were on and their last paper was on April 5. All of them went back home after a month long examination schedule. They all expect a good result this year. The CBSE Class X examinations had already finished by the end of March.

GERMAN EXCHANGE PROGRAMME

A team of five students and one teacher left for Stuttgart, Germany on April 21, 2007

under the German Exchange Programme. The students who were selected to represent The Sagar School are: Saurabh Deshwal, Dhruv Malhotra, Catherina Das, Anu Liza Jose and Swati Gupta. They are accompanied by Mrs. Helen Jose who is a senior teacher in the school. There are about a hundred other students from all over India who have been selected to represent their schools under the German Exchange Programme. We hope that they will have a great experience and a fruitful exchange between two cultures will take place through these students.

SLATER MEMORIAL DEBATES IN BCS, SHIMLA

In the first week of May, the school debating team consisting of Chirag Bansal (IX), Rahul Rawat (IX),

Aditya Chawdhary (XII) and Dev Vrat Bhardwaj (XII) participated in the prestigious all-India Slater Memorial debates at Bishop Cotton School, Shimla. It was a learning experience for the students. They competed against the best schools in India.

CRICKET NEWS

Cricket is slowly gaining interest among the boys in the school. It is encouraging to see that the students are willing to give up their Sunday morning sleep and become involved in the early morning inter-school matches.

There have been a number of cricket matches in this term so far. There were a couple of staff v/s student matches that were obviously won by the younger team. Then there was a match hosted by The Sagar School against Arawali Public School, Ferozpur Jhirka. The guest team won the match and Manjoor from their team was declared Man of the Match.

To finally round off the cricket season, a team of students from

Govt. High School, Tijara came to play a match with The Sagar School. The home team won the match by a margin of 30 runs. Vaibhav Singhal of the home team was declared Man of the Match. A special mention was made of Archit Agarwal (VIII) from the The Sagar School, who bowled very well.

The following week, the school cricket team proceeded to Bishop Cotton School, Shimla to participate in the Maj. R.K. Von Goldstein Memorial Cricket Tournament. Before they left for Shimla, the team went through a 3 week cricket coaching camp conducted by Mr. Vijay Rao. The cricket team won the most disciplined team trophy.

ACTIVITIES

The regular features of the school programme like the various Clubs and Societies along with the Talent Enrichment Programme, started from the second week of April. Apart from this some special activities were organized on Sundays under the supervision of various teachers. These included Sunday Gym nights and various fun activities.

Holding House, classes IX & X and the girls went for camping during the weekends and stayed in tents. They cooked food and cycled around 50 kms during the camping period. It was a real experience for all of them. We have bought our own equipments for future camping and expedition.

On April 20, the school swimming and squash teams participated in an inter-school championship at Pathways School. The boys and girls gave a creditable performance and were able to win some medals in swimming.

On April 30, 2007, a Fresher's Eve was organized to welcome the new students. All the new students displayed their talent by presenting different items which were appreciated by all.

EXAMINATIONS

The first unit test of the academic session 2007-08 was conducted from May 3 till May 9. The CBSE students left for summer vacations on May 12. The vacations are till July 14 and they have to report to school on July 15, 2007.

The first batch of the International Baccalaureate Programme (Kareen Tolani, Apoorva Agarwal and Ji Hyun Wang) is appearing for their final examinations. The examinations will continue till May 23, 2007. We wish them all the best.
