CORDIAL CAMARADERIE

International Friendship Day, as celebrated in India every year in August, is yet another way of expressing our gratitude and affection towards those amazing souls who make our lives easier. It amuses us to realise that unknowingly few people have occupied special places in our hearts and being with them is all the therapy we need. Saluting this bond of friendship, where friends would always love us despite our imperfections and confusions, Sagarians look back to the days well spent with their peers.

"I used to think, friendship was about sleepovers and sharing stories, but now I know it's so much more than that. Friendship is an unconditional support and safe space. It is defined by those 3 a.m. talks about what happened the day before and what kept you awake. Friends are truly life's treasures. They understand us better in every way. With kindness and love, they are there to guide and support us, to share our laughter and our tears. Their presence reminds us that we are never really alone and this fondness grows with time. In this world of friendship, we are perfect and grateful for each other's existence." - Dishita Mukherji, XI

GYAN KI AUR

The Gyan ka Sagar Widens: The GyanSagar portal is a thoughtfully and carefully designed, in house portal that facilitates the work of educators as well as students.

The ever-evolving platform extended itself into a whole new dimension when the Parents' portal was launched. It allows parents to closely observe their ward's activities and performance. It is easy to access and keeps the parents updated with everything that goes on at The Sagar School.

It takes a village to bring up a child. Nurturing the minds of our little ones is a rewarding task indeed but single-handedly accomplishing the mission is a bridge too far. The youth is our best bet at bringing about dynamic change in the world we live in. With the aim to appraise all stakeholders, including the student themselves, of the progress and accomplishments so far, the online Parent-Teacher Meeting was organised for all grades.

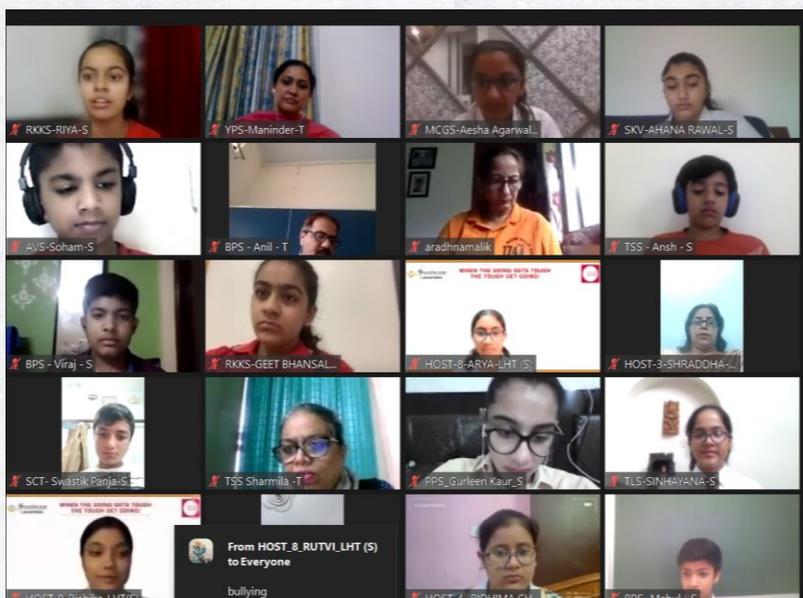

GLOBAL CONNECTION

"When the going gets tough, the tough get going..."

A Round Square Postcard activity was conducted in a 90-minute call to bring together 120 participants from 19 schools across India and South Africa. During the call, participants were invited to share and discuss situations in which they felt like giving up but didn't, and in doing so discovered a stronger and more resilient version of themselves.

Postcards by Sagarians

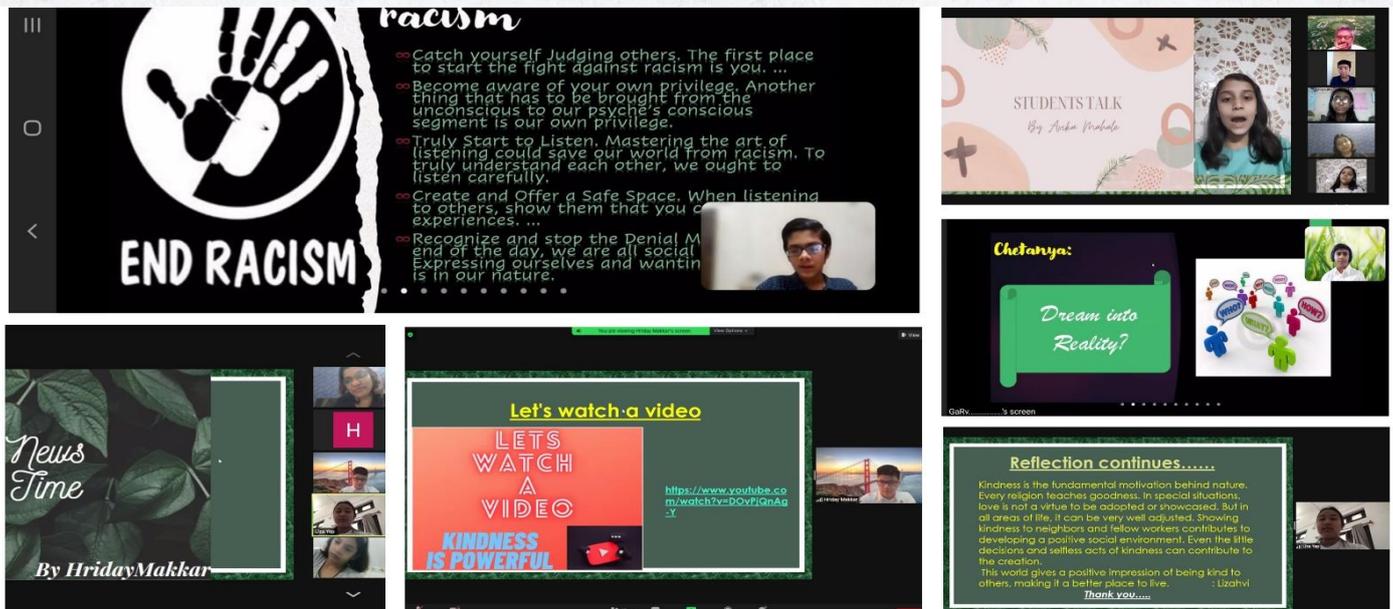

Our students spoke about values like *Resilience*, *Tenacity*, *Competence*, *Compassion*, *Gratitude*, *Optimism* and *Empathy*. They thoroughly enjoyed the activity and also shared that "Each time, participating in such workshops builds our confidence and gives us an opportunity to interact with students globally."

Participants from The Sagar School:

Hriday Makkar (Class VI), Wamika Shailendra Mishra (Class VI), Ishaanvi Bharvesh (Class VII), Ansh Gupta (Class VII), Chandani Pamar (Class VIII) and Mallika Kumari (Class VIII).

MORNING ASSEMBLAGE

The school assembly is a means of bringing Sagarians together so that the sense of community and belonging is strengthened. The assembly, led by the students, certainly manages to brighten everyone's day up. While the students' talk and the inspirational video were absolutely inspiring; the icing on the cake was the quiz!

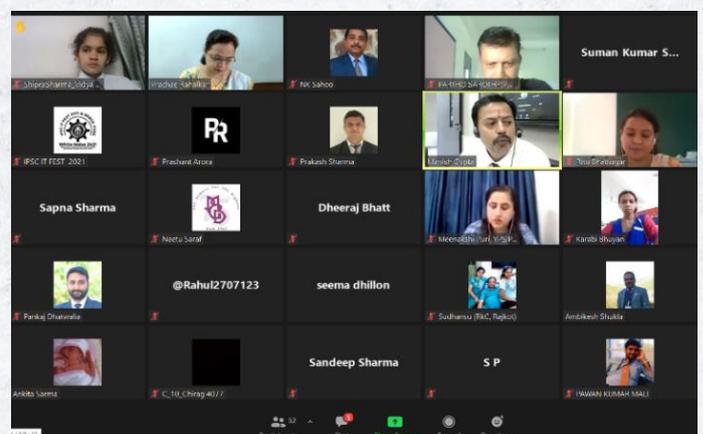

The assemblies are a weekly affair where different classes put forward a well-orchestrated assembly in the form of a presentation witnessed by the entire school. The 'Student talk' plays a major role as a few students prepare a speech to address the entire school. The Principal's address is a crucial segment that sets the tone of the day.

IPSC IT FEST 2021

To ensure that the youth remain on the cutting edge of technological advancements, the IPSC Information Technology Fest has strived to promote technological development for the future leaders and innovators:

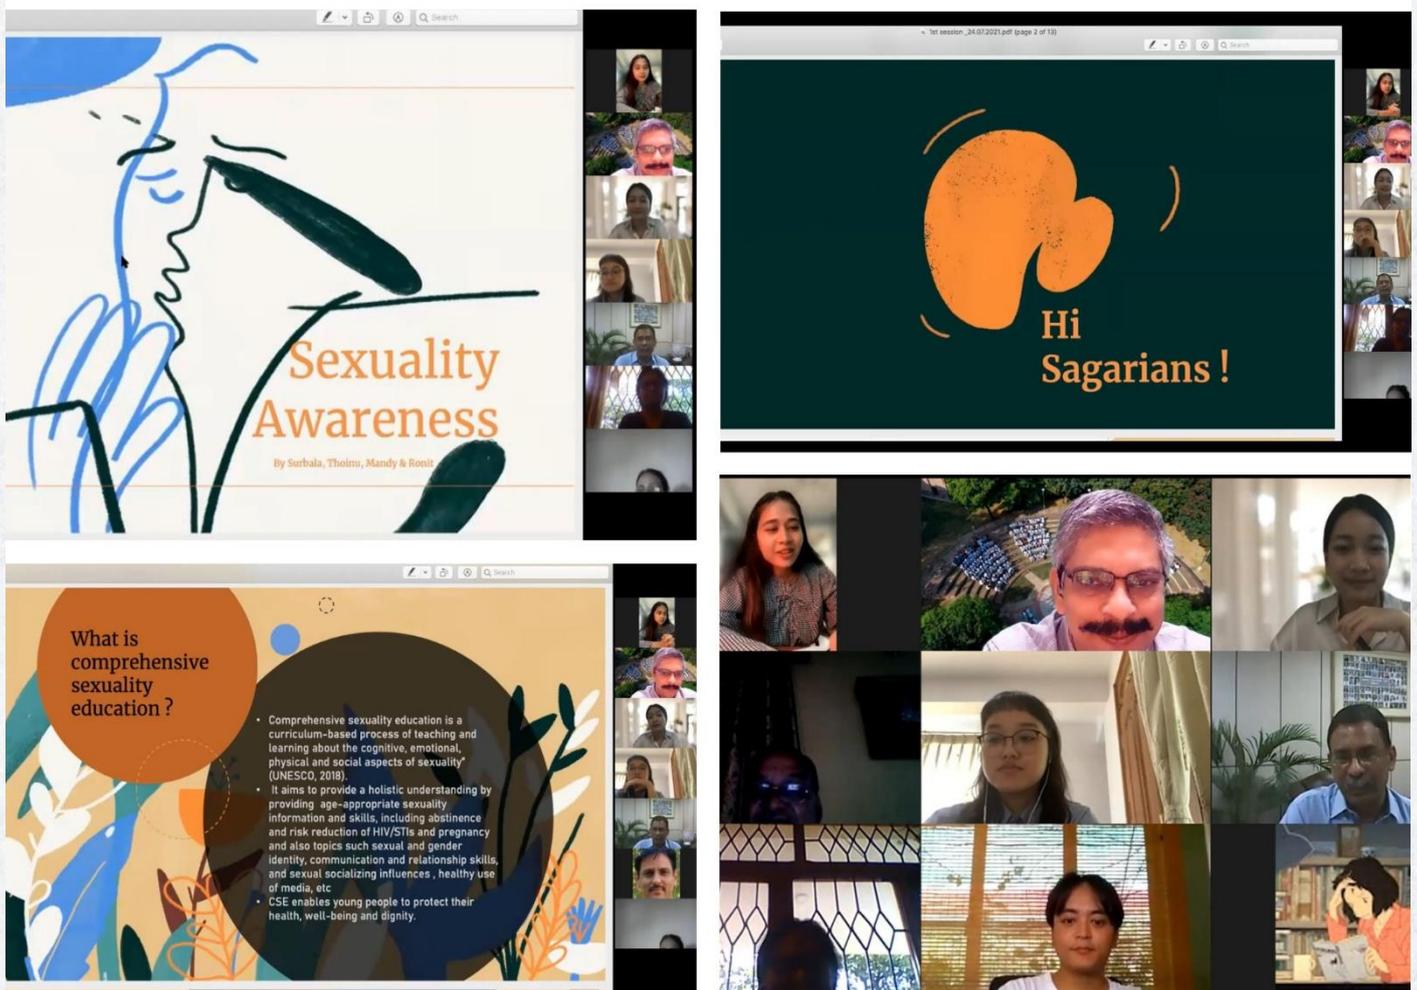

Neeraj Jakhar (XII) took part in **BABBAGE**, a Programming activity. Naman Chhaparia (XII) and Aahan Raj Pradhan (XII) participated in the IT Quiz **TURNING Prelims & Finals** and aced it. From Class IX, Glory Grace Basnett, Prachurya Sahoo and Anushka Kumawat engaged in **CAPEK**:

Radio play on Cyber issues. Alyna Gupta, Dishita Mukherji and Utkarsh Sonthalia from Class XI participated in **Vashishtha Narayan Singh Memorial TechSpeak Summit**.

ADOLESCENCE HEALTH

Our school organised an Awareness Programme on 'Adolescence Health', to enhance physical as well as mental health for the senior students. The main aim of the workshop was to equip the students with authentic information about health and safety measures.

Alumni of The Sagar School, namely **Ms. Surbala Takhellambam**, Class of 2014 (MBBS – qualified and registered Doctor by profession), **Ms. Thoinu Karam**, Class of 2015 (Pursuing Master's Degree in Child Development and Family Studies from Seoul National University – South Korea), **Ms. Mandy Khumanthem**, Class of 2017 (Third-year Medical student at the University of Glasgow – UK), **Mr. Ronit Irom**, Class of 2018 (Fourth-year B.Des student at Symbiosis International University – Pune), volunteered to burst the myth about issues related to sex and provided comprehensive awareness to reduce Sexually Transmitted Diseases (STD), unintended pregnancies and abortions and teach essential life skills.

The session concluded with the note that proper Sex Education is the need of the hour to prevent crimes and negative talks in the society. – Sanchay Naveen Varshney, XII

FASTER, HIGHER, STRONGER - TOGETHER

Olympics 2020 started with the motto “Faster, Higher, Stronger – Together” adding ‘Together’ to the original motto perfectly reflecting the sign of the times. It expresses how it unites the whole world together through sports and also how it binds us, as citizens of a country. No other tournament, or should I say event, in history has been able to bring people together like the Olympics. It doesn’t divide people on the basis of their teams, it unites them on the pride they take in calling themselves Humans, which is bigger than any country, religion, belief, origin, color or race. To voice their support for the contingent that is representing India in the Olympics, Class XII has prepared slogans:

One Spirit, One Team, One Win

**TALENT WINS GAMES
TEAMWORK WINS
CHAMPIONSHIP**

GIRISH K

**We will win when it
counts,
We will win all the
rounds!**

-Aahan Raj Pradhan

**NOT JUST A TEAM,
WE ARE A COUNTRY.**

*We're loud, proud,
and can cheer the
crowd.*

Rishi Anand

**FASTER, HIGHER, STRONGER;
LET'S MATCH OUR SPIRITS TOGETHER.**

Forget Me, Remember We
