## RIGHT SCHOOLING

With an aim to promote the arts, The Sagar School organised their annual arts festival, Kalasagar, at their campus, from October 10 to 13. Rishnit Singh Heera, a budding artpreneur, was the chief guest on the closing day of the festival. Another promising artist Manmeet K Walia, whose works revolve around women-centric themes and narratives, was the guest of honour. The event was made extra special by film

actor Sarthak Kakar — an alumnus of the school — who conducted a workshop on cinema.

That's not all. Workshops in various disciplines — fine arts, music, dance, theatre and traditional handicrafts were conducted over four days for students and the staff. Underprivileged children were also participants in the workshops and events.

Art in any form brings out the best in us. Kalasagar is a great opportunity for our students to experience that.
